Bingo! Saturday, October 17, 7:30 pm

Welcome to the Art and Heirloom Shoppe online Bingo. Our bingo is a live event on Facebook, being held on the **Art and Heirloom Shoppe** page. There will be a link provided for you to click on to join the live Bingo. Sue will be your friendly host, be kind, she is new to this.

Cards will be available for sale Thursday, Friday and Saturday. To purchase a card, you must send Sue a message including the number of cards you want, then an e-transfer to suerumball3@gmail.com with your payment. The password to use is **Chatham**. After receipt of payment, Bingo cards will be sent out. Sales will close 30 minutes before the scheduled time of Bingo. Cards are \$5.00 apiece and sent to you through email.

When you receive the images of your cards, you can print the pages, or copy the cards by hand onto a 5x5 sectioned Bingo card piece of paper. (25 boxes). Simply fill in the words (names of artists) that go in each box. Copy carefully and write down the card number.

Sue will call out the names for you to mark off on your cards one by one. This will be done slowly! Instead of numbers, we have artists' names on our cards. When you hear the name of an artist, mark off that name on your card. Names will be randomly drawn from a bowl.

We will be calling ONE LINE and then FULL CARD. ONE LINE wins a piece of art or vintage ware of our choice. The FULL CARD will split the pot of the total number of cards sold, and that 50% will be a gift certificate to the Shoppe. A win-win for the artists! There will be random little draws during the Bingo for surprises!
